This program is able to accommodate **8 to 10 student per week**

**Description:**

Cass clinic is a Saturday morning (9am to noon) clinic that provides opportunities for WSU medical students to gain true hands-on experience in procedures and patient care under the guidance of an attending physician. The clinic focuses primarily on providing medical care to the medically indigent population living in the university/medical center area.

**Commitment: Saturday Mornings, 9am-12pm**

**Activities for Medical Students:**

Observing Agency/Organization staff interacts with clients/patients.

Opportunity to communicate health education information to clients/patients

Conduct a health screening.

Special Project:

- a. Present healthy living information/talks to patients in waiting room
