

**Clinic Joy Southfield**

18917 Joy Road  
Detroit, MI, 48228  
313-581-7773

**Person verifying Co-Curricular hours:** Marquita London

**Email:** mlondon@med.wayne.edu

**Other Contact Natalie Johnson**

Email: njohnson@med.wayne.edu

**Website:** <http://www.joysouthfield.org/>

**Faculty Advisor:** Dr. Silas Norman

**Description/Duties:**

Students volunteer to triage patients and take history (blood pressure, temperature, pulse, weight, chief complaint). Training may be provided to take blood and perform flu vaccinations. Students may also be allowed to shadow OB/GYN during examinations. Volunteers may also give dietary and fitness suggestions to patients at risk for diabetes and hypertension. They can be included in the assessment of the illness. Majority of patients visiting the clinic are from the Detroit area and are uninsured.

**Commitment:**

**Tue: 6-8, W: 10-2,**

**Thu: 6-8 first and third**

**Sat: 10-2 second/fourth**

**Activities for Medical Students:**

Observing Agency/Organization staff interacts with clients/patients.

Opportunity to communicate health education information to clients/patients.

Conduct a health screening.

Other: Triage and history of present illness
