Faculty Advisor: Dr. Walker

This program will be able to accommodate? 10 – 15 students per week

Description/Duties: Volunteer for 3 hours per session by planting, weeding, and harvesting in the gardens that ultimately supplies food for the Capuchin Soup Kitchen. There are also opportunities to share with local youth the importance of healthy living and knowing where our food comes from at Growing Healthy Kids sessions; as well as mentoring young adults and learning personal responsibility, volunteering at Youth Farm Stand sessions.

Commitment:

T (4:45 – 7:30pm) W (9am – noon) Thur (4:45 – 7:30pm) Sat (9am – noon)
