Faculty Advisor: Dr. Walker

This program is able to accommodate 10 students per opportunity

Description/Duties:

Habitat for Humanity builds and rehabilitates housing throughout the greater Detroit area. Students will help with all aspects of house construction ranging from concrete pouring, wall assembly and roofing. Students will also learn valuable skills and will be providing a great service to the Detroit community.

Commitment: Saturdays, sessions from 8 am until approximately 4:00 pm.

Activities for Medical Students:

Observing Agency/Organization staff interacts with clients/patients.
Provide the basic human need of shelter
