This program is able to accommodate 30+ students

Activities Description: SHAR is a non-profit organization that guides those struggling with addiction through the recovery process to lead full, productive lives. Wayne State students will be partnering with members of the community to clean up Perrien Park (located on Detroit's near east side) and turn it into a recreational resource for the community.

Volunteer Commitment: Saturday
Hours: Prior to Noon Noon to 5pm

Activities for Medical Students:
Partnering with members of the community to beautify Detroit's near east side
