The Symposium

ADVANCED REGIONAL ANESTHESIA 2009:

INVASIVE PAIN MANAGEMENT TECHNIQUES AND REGIONAL ANESTHESIA HANDS-ON WORKSHOP

Target Audience

Anesthesiologists, Neurologists, Neurosurgeons, Emergency Medicine Physicians, Residents and Fellows.

Educational Objectives

The purpose of this program is to teach and review the anatomical basis, indications and techniques of regional anesthesia. Each participant will practice specific techniques on live models and cadavers.

- Identify and review indications, anatomy, techniques and complications of regional anesthesia in the head and neck, upper and lower extremities, trunk and abdomen.
- Identify and review indications, anatomy, techniques and complications involved in sympathetic nervous system blocks.
- Learn to perform advanced pain management techniques such as intrathecal pump implantation, spinal cord stimulation and facet joint rhizotomy for chronic pain management.
- Discuss and review recent advances in management of chronic malignant and non-malignant pain.

Sponsor

This program is sponsored by the Department of Anesthesiology at Wayne State University School of Medicine and the Department of Anesthesiology at the University of Michigan School of Medicine in collaboration with the Michigan Society of Anesthesiologists (MSA).

Location

Friday evening's meeting will be held at MGM Grand Detroit Hotel in Downtown Detroit, 1777 Third Street, Detroit, Michigan. The Saturday and Sunday programs will be held at the WSU School of Medicine's Scott Hall, 540 E. Canfield, Detroit, Michigan. Housing facilities will be at the MGM Grand Detroit Hotel, under the Wayne State University School of Medicine group. Phone: (877) 888-2121.

Registration Fee

A \$400 registration fee is required for practicing physicians, \$200 for resident physicians (with a letter from the Program Director), and \$250 for other healthcare professionals. There is an additional \$50.00 fee for registrations received after April 17, 2009. The conference registration fee includes all lectures, course materials, conference meals, and processing of CME credits. The course fee does not include workshop fees which are additional. The Advanced Workshop fee is \$150.00. All registrations will be confirmed in writing. Cancellations must be made in writing and received on or before May 1, 2009, for refund (less \$50 processing fee). No refunds after May 1, 2009.

Credit Statements

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Wayne State University School of Medicine designates this educational activity for a maximum of 15.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Call for Resident Posters: \$500.00 1st Place Award

Abstract Submission Deadline: April 17, 2009

You are invited to submit an abstract, share your work with your colleagues and practicing anesthesiologists, and receive recognition for your efforts. Each entry must be based on work completed during a residency or fellowship training program. Your abstract may be submitted during or within one year following completion of training. Presentation within the last 18 months does not preclude entry.

All electronic (email) submissions must be sent using either Microsoft Word or PowerPoint by the deadline for review and selection. For more information visit: www.med.wayne.edu/cme/ or contact Zora Injic, B.Sc., M.S.A. at zinjic@med.wayne.edu.

The Symposium Venue

Friday, May 15, 2009 – MGM Grand Detroit

Friday evening's meeting will be held at MGM Grand Detroit Hotel and Casino. MGM Grand Detroit offers a dynamic and vibrant hotel setting that includes 400 very chic and stylish luxury guest rooms, 65 spectacular luxury suites and a full service Executive level. Our rooftop Penthouses offer up to 1,900 square feet of lavish luxury, and all guest rooms are oversized to a minimum of 510 square feet. Nightlife and dining choices abound with the exclusive announcement of Wolfgang Puck and Michael Mina joining to create three signature restaurants, the highly anticipated Wolfgang Puck Grille and Michael Mina's Saltwater and Bourbon Steak. Five signature nightlife locations offer a variety of locations to meet and mingle after the long business day. Significant to MGM Grand Detroit is our ability to have all of these amenities under one roof. Immerse, our full service resort-style spa offers a full compliment of Salon and Spa services, with indoor pool, extensive cardio and weight facilities, private changing and locker rooms with steam sauna; all located on our second floor.
