Credit Statement:

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this educational activity for a maximum of 4.50 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Supported in part by:

Wyeth Pharmaceuticals

**Medical Consulting and
Solutions**

Educational Objectives

This course will provide presentations on medical conditions and topics that are controversial and/or have new modalities of diagnosis and/or treatment. The goal is to help the obstetric provider with screening, diagnosis, and treatment in the office and hospital. Medico-legal aspects will be discussed when appropriate.

At the conclusion of the conference, the attendees will:

1. Review first and second trimester screening schemes for chromosomal abnormalities with ultrasound and biochemical markers.
2. Discuss the latest data on who to screen for thrombophilias, when to screen and what tests should be included.
3. Discuss the controversy concerning elective induction of labor.
4. Discuss recent data on testing for proteomics in prematurity.
5. Discuss mid-trimester evaluation of the cervix, intra-amniotic infection, and cervical cerclage.
6. Discuss the recent and current clinical trials in the Maternal Fetal Medicine Units Network.

Course Directors

Yoram Sorokin, MD
Professor and Director
Maternal Fetal Medicine Fellowship Program
Department of Obstetrics & Gynecology
Wayne State University School of Medicine
Detroit, MI

Roberto Romero, MD
