

AANS Medical Student Summer Research Fellowship

The American Association of Neurological Surgeons (AANS) through the Neurosurgery Research and Education Foundation (NREF) is now taking applications for the Medical Student Summer Research Fellowship for the summer program of 2012.

Twenty (20) Medical Student Summer Research Fellowships in the amount of \$2,500 each are available. To be considered for the 2012 award cycle, applications should be received by February 1, 2012. The 2012 fellows will be notified of their selection by March 31, 2012.

The fellowship is open to medical students in the United States or Canada who have completed one or two years of medical school and wish to spend a summer working in a neurosurgical laboratory, mentored by a neurosurgical investigator who is a member of the AANS and will sponsor the student.
