

Wayne State University School of Medicine: Department of Psychiatry Summer Externship Program

The Department of Psychiatry and Behavioral Neurosciences offers 3 summer externship positions. In the past, students have worked in both clinical and research settings. Students will be matched as closely as possible to their area of expressed interest. (Consider consulting the Year III and IV electives listed in the SOM Records and Registration office for ideas.)

Students will be paid \$15 dollars/hour. A maximum of \$1200 is allotted per participant.

PLEASE COMPLETE THIS APPLICATION FORM AND RETURN TO DR. MARY MORREALE BY MARCH 16, 2012. Decisions will be made by May 4, 2012.
