

Target Audience

The target audience for this conference is primary care physicians, internal medicine physicians, endocrinologists, nurse practitioners and other healthcare professionals.

Educational Objectives

At the conclusion of this symposium, the participants will be able to:

1. Recognize both the need and use of continuous glucose monitoring, as well as new oral medications for diabetes.
2. Review the best management and treatment strategies for neurological, skin, and cardiovascular diseases in diabetic patients.
3. Understand the management of thyroid disease in pregnancy.
4. Characterize the diagnosis and management of adrenal insufficiency.
5. Know management practices for pituitary incidentaloma and hyper and hypocalcemic emergencies.

Refund Policy

Cancellations made on or before May 1, 2015, are subject to a \$25.00 processing fee.

No refunds for no shows.

Continuing Medical Education

"The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity."
