   b. Records (no response)

4. Lab Printing  
   a. In talks with Xerox for migration from Papercut to OneCard Application

5. E*Value to New Innovations

Follow Ups:

1.) REMINDER - Canvas (Dozier)  
   - Bb completely shut down - September 2018  
   - CANVAS Student Training Course is Available (If you are interested)  
   - https://wayne.instructure.com/enroll/WAJNX8  
   - You can self-enroll in the CANVAS Student Training Course

2.) Student led resource sessions during next year’s M1 orientation (Dozier)  
   - Bryant Hansen would like to possibly have a panel or mini training by students on Tech tools making transition to med school easier during orientation. I will be contacting Dr. Chadwell to see what she thinks and if something like this is possible for the 2018/2019 Yr 1 orientation.

3.) OrgSync is a Campus Engagement Network that connects your students to organizations, programs, and departments on campus in a private online community. (Dozier)  
   - Web-based tool for Student Orgs official registration and online presence  
     ✓ Status – Are we ready to change out frame on website?  
     ✓ OrgSync creates an online community for campus that helps departments, programs, and all member-based organizations streamline processes and drive engagement. The platform reflects your institution’s unique structure and helps you connect and engage with the populations you serve, improves information sharing, minimizes paper usage,

4.) “Tech Tips” (Dozier)  
   - http://blogs.wayne.edu/  
   - Feedback? Thoughts?
