CAMPUS SAFETY

DID YOU KNOW you can call Wayne Police or DMC Security for an escort to your car or destination 24 hours/day?

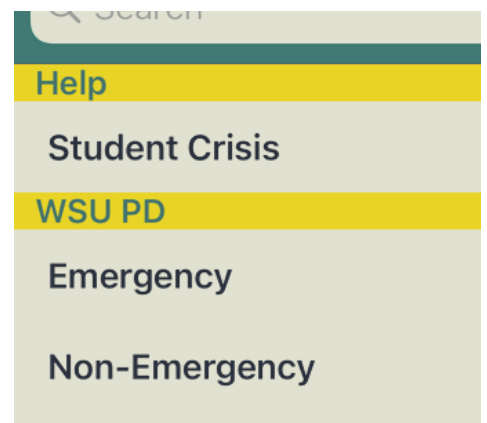

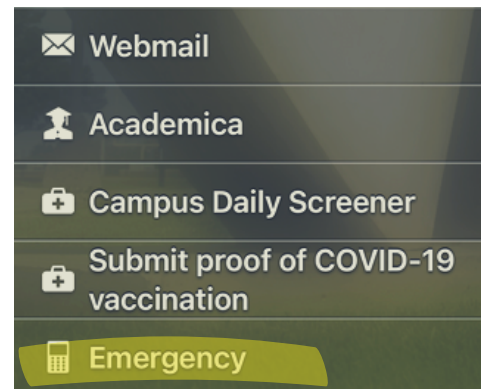

Call WSUPD to REQUEST A SAFE WALK. A uniformed cadet will go to your location and walk with you to your destination. If no cadet is available, a uniformed officer in a marked scout car will be dispatched to handle the request.

Calling 911 on campus may result in the delay of emergency and safety resources! While on campus, **CALL WAYNE POLICE FIRST.**

DID YOU KNOW the WSUMobile app has emergency numbers saved on the home page? You don't even have to log in!

Keep the app on your phone for easy access to emergency personnel.
