

## Women in Medicine and Science School of Medicine

***The WSUSOM Women in Medicine & Science Group invites you to join us for a special interactive discussion with:***

**Elisabeth Heath, M.D., F.A.C.P.**

### **"Women in Academic Medicine: Choosing Leadership"**

Women and men in academic medicine enter and graduate medical school in similar proportions since 2003. However, women leadership roles vary in number, types and position with much less representation in areas of clinical affairs and research.

#### **Objectives:**

- Recognize and understand current representation of women in academic medicine
- Identify barriers and opportunities to increase promotions and leadership positions

**Elisabeth Heath, MD FACP, Associate Center Director of Translational Sciences, Hartmann Endowed Chair for Prostate Cancer Research, Professor of Oncology and Medicine, Genitourinary Multidisciplinary Team Leader, Director, Prostate Cancer Research, Karmanos Cancer Institute, Wayne State University School of Medicine**

Dr. Heath is a member of the Journal of Oncology Editorial Board as well as a member of the Prostate Cancer Foundation Research Awards Review Committees and Department of Defense prostate and bladder cancer study section. She has served as president of the KCI Medical Executive Committee, has served as member of the Executive Committee of the Faculty Senate at Wayne State University School of Medicine, and is currently on the board of directors of the state-sponsored Michigan Cancer Consortium. Dr. Heath, a recipient of numerous awards is a dedicated clinician-scientist, researcher, and teacher at Wayne State

University School of Medicine. She earned her medical degree from Thomas Jefferson University in Philadelphia, PA, completed her internal medicine residency at Georgetown University Hospital, Washington, DC, and completed her medical oncology fellowship at Johns Hopkins School of Medicine, Baltimore, M.D.
